

Coronavirus (COVID-19) Update

Dear Palace Cinema Guest,

As announced by the Prime Minister, all non-essential businesses will now be forced to close. Unfortunately, this includes the Palace Cinema. Currently the Prime Minister will review the situation in three weeks. This means currently we only have to cancel The Many Adventures of Winnie the Pooh and Piglet's Big Movie.

If you have booked any of these films we will be contacting you by email with further information in the coming days.

We hope that the situation improves in the coming weeks and we can reopen for our Easter Special

Warm Regards,

The Executive Team
